Enforcement Fee Schedule

The primary sanctions for violations of SMP requirements are loss of eligibility for: (i) a private (individual or shared) recreation facility permit within the Project Boundary (i.e., on a reservoir); and (ii) use of, or private access to the Project lands and waters across, the Cube-Managed Buffer.

In addition, in the event of a violation Cube Yadkin, at its sole option, has the right to: (i) terminate any existing permits; and (ii) erect a barrier along the Project Boundary or across the Cube-Managed Buffer to restrict access to the Project lands and waters; and (iii) require, at the adjoining property owner's sole expense, (a) removal of any piers, pathways, or other facilities and structures located within the Project Boundary or on the Cube-Managed Buffer, and (b) restoration and/or mitigation, up to and including restoring Project lands and waters and the Cube-Managed Buffer to their original condition. In addition, if the adjoining property owner fails to take the required action after notice from Cube Yadkin, Cube Yadkin will consider any facilities and structures remaining within the Project Boundary or the Cube-Managed Buffer as a trespass upon its property, and reserves the right to, at the adjoining property owner's sole expense, remove the facilities and structures, treat them as its own property without any liability to the adjoining property owner for payment, and perform the required restoration and/or mitigation. Cube also may pursue any other rights or remedies, including damages, it may have in any permit, or at law or in equity.

| Violation | Penalty Fee |
|--|--|
| Failure to comply with SMP procedures or requirements | \$100 per occurrence for the first year \$1,000 per occurrence per year after (until issue is resolved) |
| Refusal to remove unauthorized structure and/or conduct required mitigation. | 100% of the cost to remove the structure and/or conduct required mitigation, plus a set management fee of \$1,000. |

⁴ For complex projects, a higher fee may be assessed. Significantly higher expenses will only be incurred after notification of the applicant, who will have an opportunity to withdraw the application.
