SECTION TWO—INFORMATION NEEDED TO PROCESS REQUEST

- 1. Please provide a detailed description of request:

I understand that an eligibility determination addresses only the minimum eligibility requirements such as lot width, cove width, and water depth. A final determination as to a lot's eligibility for a private recreational facility permit will be made at the time of application. Any activities described above will be authorized through the issuance of a valid activity permit detailing the activity to be undertaken. I agree that NO WORK will begin until I receive an ACTIVITY PERMIT signed by Cube Yadkin. I agree to abide by all applicable requirements of Cube Yadkin's Specifications, Shoreline Stewardship Policy, the conditions of the ACTIVITY PERMIT and other Cube Yadkin procedures and requirements.

Date Signature of Applicant

ELIBILITY DETERMINATION

The following information on minimum eligibility requirements for a Private Recreational Facility Permit was collected on this date:

Reservoir: Township: County:
Subdivision: Section: Lot No.:

Water Depth 75' from full pool elevation or 1/4 of cove width whichever is less:

Lot width as measured along the full pool elevation:

Cove Width:

Please consult the current Private Recreational Facility Specifications to determine if the lot meets the requirements. Please keep in mind that the above information is no guarantee of a lot's eligibility for a Private Recreational Facility Permit. A final determination as to a lot's eligibility for a Private Recreation Facility Permit will be made at the time of application.
