WATER SKI SLALOM, JUMP, AND/OR TRICK COURSE ACTIVITY PERMIT APPLICATION

Print or type all information below and submit the completed Permit Application Package to Cube Yadkin at least 30 days prior to proposed construction date.

SECTION ONE—BACKGROUND INFORMATION (to be completed by the applicant)

1. Full Name: _____
2. Type of Entity (such as partnership or corporation): _____
3. If applicant is an entity, please provide the name of an individual contact/agent who is authorized to act on behalf of the entity: _____
4. Permanent Mailing Address: _____
5. Local Address (if different): _____
6. Telephone (Business): _____ (Permanent): _____ (Local) _____
7. Fax No. and E-mail (optional): _____

SECTION TWO—WATER SKI SLALOM/JUMP/TRICK COURSE DESCRIPTION (to be completed by the applicant)

Location of water ski slalom, jump, and/or trick course (Attach a map which delineates the location and extent of the proposed course):

Reservoir: _____

County: _____

Subdivision (if applicable): _____

Other location description: _____

Is the water ski slalom/jump/trick course located in the main channel? Yes _____ No _____

Description, including major dimensions, of water ski slalom, jump, and/or trick course (Attach plans at a scale of 1:2,400 (1 inch = 200 feet) or larger):

SECTION THREE—AGENCY CONSULTATION AND PUBLIC COMMENT REQUIREMENTS (to be completed by the applicant)

Is this Application for a water ski slalom, jump, and/or trick course that had an Activity Permit in the year immediately preceding this year?

Yes _____ No _____ Cube Yadkin Permit Number: _____

If yes, is the proposed water ski slalom, jump, and/or trick course significantly different than the course that was permitted by Cube Yadkin in the preceding year?

Yes _____ No _____

If yes, please describe the differences between the proposed course and the course permitted by Cube Yadkin in the preceding year.

If either the water ski slalom, jump and/or trick course did not have an Activity Permit in the preceding year or if the course is significantly different than the course permitted by Cube Yadkin in the preceding year, then you must provide a completed Agency Consultation and Public Comment Package as described below. After review of your Permit Application Package, including the map and drawings, Cube Yadkin reserves the right to make the final determination as to whether the proposed course is significantly different than the course permitted by Cube Yadkin in the preceding year and whether it will require Agency Consultation and Public Comment.

Did you provide agencies with a minimum of 30 days to review and comment on the proposed course?

Yes _____ No _____

Attach a copy of the letter to agencies requesting their comment on the proposed course, copies of all agency comments, and your responses to any issues raised by the agencies.

Did you publish in a local newspaper at least 30 days prior to the submission of this Permit Application Package a notice of your intent to construct and operate a water ski slalom, jump, and/or trick course?

Yes _____ No _____

Did you provide a copy of the newspaper notice to any homeowners' association that represents adjoining property owners? If there is no such homeowners' association, did you provide a copy of the notice directly to each individual adjoining property owner that may be impacted by the proposed course?

Yes _____ No _____

Attach a copy of the newspaper notice, proof of submission of the newspaper notice to the homeowners' association, or to individual impacted adjoining property owners if there is no homeowners association, copies of any comments received, and your responses to any issues raised by the public.

Does the construction or operation of the proposed course require any federal, state or local permits?

Yes _____ No _____

If yes, attach copies of all required federal, state and local permits.

SECTION FOUR—PROJECT SCHEDULE (to be completed by the applicant)

What is your proposed schedule for constructing, operating and removing the proposed course? Please note that the construction of the course shall not occur prior to May 1 and, if so required by Cube Yadkin, removal must occur prior to September 30. Courses may only be operated from May 15 through September 15 and only between sunrise and sunset.

SECTION FIVE—APPLICATION CHECKLIST

Please check that all of the following materials have been submitted as part of your Water Ski Slalom, Jump, and/or Trick Course Activity Permit Application Package:

- A map of the proposed location.
- Construction plans or detailed drawings of the proposed course at a scale of 1:2,400 (1 inch = 200 feet) or larger.
- Completed Agency Consultation and Public Comment Package, if required. (Attach copies of all correspondence with federal, state and local agencies and the public regarding the proposed course, including a copy of the letter to the agencies requesting their review and comment on the proposed course, copy of the newspaper notice and proof of submission to any applicable homeowners' association or individually impacted adjoining property owners).
- Copies of all necessary federal, state and local permits required for the proposed course.
- Certificate of Insurance in the form and amount required by Cube Yadkin. For details on insurance requirements, please see attached Notice of Insurance Requirements.
- Non-refundable Application fee. Checks should be made out to Cube Yadkin Generation, LLC.

SECTION SIX—APPLICANT'S SIGNATURE

I hereby apply for an Activity Permit to construct and operate a water ski slalom, jump, and/or trick course. I agree to abide by all applicable requirements of the Shoreline Management Plan, the conditions of the Activity Permit, if issued, and other Cube Yadkin procedures and requirements. I also agree that no work will begin (and in no event prior to May 1) until I have received from Cube Yadkin an Activity Permit signed by me, returned to Cube Yadkin and signed by Cube Yadkin.

By signing this Application, I hereby certify that the design, construction and operation of the proposed water ski slalom, jump, and/or trick course described in the attached Application meets the requirements of the most recent edition of the American Water Ski Association's Official Tournament Rules, including but not limited to the "Official Slalom Course Design", "Official Jump Course Design", "Ramp Setting Chart", and the "Official Trick Course Diagram" and Rules 8 (Equipment and Definitions), 9 (Jumping), 10 (Slalom), 11 (Tricks) and 12 (Safety Requirements).
